SIEGEL BROS. WINE & SPIRITS

WHISKY CLUB

Every month we select a very special Whisky, package it and set a special reduced price for our club members. A fact sheet with tasting notes and distillery information is also included in the package. The whiskies come from all parts of the world.

Pay a one time fee of \$750.00 for one year which we call the Gold Club (12 selections). Pay a one time fee of \$390.00 for 6 months which we call the Silver Club (6 selections). Pay a one time fee of \$210.00 for 3 months which we call the Bronze Club (3 selections).

There is absolutely no charge for membership - you pay only the specially reduced club member purchase price for the single malt. *We do require a minimum of three months membership.* However, you may purchase a single month's selection on a trial basis if you wish.

During the first week of the month, we will inform you that the package is ready to be picked up. We will also provide delivery or shipment services at an additional cost for regular monthly members so desiring.
