SIEGEL BROS WINE & SPIRITS

WINE-OF-THE-MONTH CLUB

What makes our Wine of the Month Club unique? Why join? Simple, we rely solely on what is in the bottle, not the silly numbers some person working for a publication decides to rate the wine. At Siegel Bros Wine & Spirits, our highly trained in-house staff taste upwards of 3-4 dozen wines every week. As a team we decide which of these wines would represent what you, as our customer, are looking for. By sorting through 90% of what we try, which is only a fraction of the wines available, we are able to come up with some of the greatest, unrecognizable wines available at the time. We believe that tasting and drinking wine should be fun and relaxed. Wine buying should not be confusing, imitating or complicated. Our monthly Wine Club tasting notes are unpretentious and enjoyable to read. We promise not to overload you with the technicality of the winemaking.

The wines we choose are from vineyards around the globe. You will be able to try varietals you know little about or maybe have never heard of. Our goal in this Wine of the Month Club is to educate as well as enjoy. Each month will bring you closer and closer to de-mystifying the world of wine, which for too long has been burdened by critics and so-called experts.

Each month we package 3 bottles of wine (two red and one white) complete with the monthly tasting notes. The wines are specially priced for our members. The total cost of this package is \$65.00 per month.

There are absolutely no membership fees. Simply pay monthly as you go or you may choose to purchase the Wine Clubs in month pre-paid plans. The pre-paid plans have home or office shipping included in the price. Month to month memberships are available to be picked up at our location anytime throughout the month or we will gladly ship or deliver to you for a small courier fee.

We promise to deliver to you exciting and interesting wines that are worth the money as well as educate you on the world of wine in a fun and enjoyable way.

Call now to sign up in time for the next selection! Phone 914-864-1540
